## BETTEN

Paris - Klassik in Kiefer:

- Nordische (Polar-) Kiefer massiv: Durch das langsame Wachstum entsteht eine besonders harte Kiefernart mit ausgeprägter Maserung. Das hochwertige Material ist sorgfältig ausgewählt und sortiert.
- Von Hand gebrochene Kanten, wodurch die Wertigkeit der Oberfläche im Antik-Finish besonders hervortritt. (bei Speise- und Wohnzimmer und Bibliothek)
- Umfangreicher Typenplan.
- Aufwendige Korpusse und Profilierungen.
- Dauerhaft geschützte Oberflächen.
